

Product Information Sheet

Cotton Bunting Flags

Product Information

- Material: Cotton bunting.
- Finish: Double stitched hem with quadruple stitched fly end.
- Fittings: Strong canvas header band with 2 brass eyelets.
- Construction: Fully sewn construction.
- Packaging: Individually wrapped.
- Size options: 5ft x 3ft.
- Manufactured in: China.

Available in a select range of UK nations and a wide range of specialist US historical designs, cotton flags offer something a little different. Each flag is fully sewn from a heavyweight cotton bunting and is suited to indoor or fine weather outdoor use. The texture of these flags make them very popular with pubs, clubs, theatres, interior designers, musicians, historical re-enactment groups, and those collecting Americana. While there are more modern fabrics for outdoor use, there is nothing quite like a heavy cotton bunting flag for style.
